High School Wins Third In Row; To Carson On Friday

Wolverines Defeat Stewart Braves By 26 to 7 Score

The Tahoe-Truckee Wolverines ran their win streak to three straight last Saturday as they romped over and through the Stewart Braves to the tune of 26 to 7. It was a fine team victory for the locals as they mixed good running with some excellent passing to score twice in the first period, once in the second, and once again in the third quarter.

Tahoe-Truckee took the initial kick-off and moved on the ground to the Braves' 20-yard line, where Halfback Bob Sanford rolled out and threw to End Aaron Thomas in the end zone. Thomas made a magnificient catch while being covered by three Stewart defenders. His placement was good and the Wolverines were in front by 7 to 0. The second score for the locals came a short time later, in the same period, as Floyd Cooper threw to Sanford, who raced in from 10 yards out. Thomas' kick was good and the Wolverines held a 14 to 0 lead.

In the second period the home club struck again via the air as Roger Holbrook threw a 45-yard pass to Bill Barr to set up the ball on the Stewart two, from where Holbrook punches it over on a QB sneak. It was 20-0 at halftime.

During the third quarter the Wolverines concentrated on their ground game which culminated when Fullback Mick Hogan plunged over from two yards out for a touchdown and a 26 to 0 score.

Stewart managed to strike back in the final period via the ground and against the Tahoe-Truckee reserves as they raced around left and from 8 yards out to score their lone touchdown. The kick was good and the final read 26 to 7. Tahoe-Truckee led in the first downs department with 11 to Stewart's four. For the Wolverines, individual standouts were Cooper and Holbrook at the quarterback spot, Hogan at fullback, Sanford and Trask at the halfback positions. Linemen who looked especially good were Tom Dolley, Aaron Thomas, Jim Crawford, Gerald Faughan and Jack Hotsenpillar.

Friday night the Wolverines come up against their biggest one to date as they visit the Carson City Senators at Carson. The Senators are currently riding atop a three win streak, also, and are the favorites to take the Nevada State "A" crown. Game time is set for 7:30 p.m. at Carson City.

FUNERAL IS HELD FOR YOUNG SON OF LAKE TAHOE FAMILY

Funeral services were held Wednesday morning at 11 o'clock in the Kings Beach Methodist Community Church, with Rev. A. B. Covher officiating, at the last rites for little 4-year-old Jon Raymond Ehlers of Crystal Bay, Nev.

The little boy, son of Mr. and Mrs. Raymond Ehlers died in Tahoe Forest Hospital on Sunday after a brief illness.

Beside his parents, Jon is survived by a sister, Candy.

Every person in the community was saddened by the untimely passing on of the child and the heartfelt sympathy has gone out to Mr. and Mrs. Ehlers.

The services were under the direction of the Truckee Colonial Mortuary.

CLARENCE OSBURN ON COUNTY BOARD

Clarence Osburn, local garage owner and former Boy Scout master, is the newest member of the Nevada County Probation Committee, having taken his oath this week. Osburn was appointed to the committee some months ago, but because of a serious injury last year has not been able to serve until now.

The local man was named in place of Douglas Barrett, who resigned, to accept a position with Gov. Goodwin J. Knight's staff in Sacramento.

FIRST MEET SET FOR CYO NEXT TUESDAY

The first meeting of the Catholic Youth Organization for the surrent year will be held on Tuesday, October 11 in the Catholic Parish Hall, Father Ronan Brennan announced.

Nominations will be accepted for the various offices, programs will be planned for the semester and dancing and refreshments will conclude the evening.

The CYO is a youth club open to high school students from the 9th to 12th grades. Its object is to offer religious, social and cultural activities to its members.

Stage Set For Buck Stew; Queen Is Evelyn Stinchfield

Figures released today by the chairman, Charles Osburn, show Evelyn Stinchfield, the Rotary Club's queen candidate with a total of 9,660 votes; Carol Tollefson with 2,620 and Alta Van Sickle with 2,170. One write in, Bobby Pierce collected 520 votes in the windup of the contest.

With eight deer ready to be put into the huge kettles along with the usual ingredients and savory spices, all is in readiness for the Truckee Outdoor Sportsmen's big free annual buck stew which will attract a crowd of nearly 1000 to Capitol Hall Sunday afternoon at 2 o'clock.

At the same time, Miss Evelyn Stinchfield will be crowned as queen of the affair, having won by a large majority over her two opponents, Alta Van Sickle, the Wyethia Club representative and Carol Tollefson, the 20-30 Club candidate.

The queen contest, new this year, stimulated considerable interest in the event, Clarence Osburn, vice president of the sportsmen's organization and chairman of the committee on arrangements, said.

Immediately folowing the feast, being prepared by Johnny and Julia Ciardella, chefs for several years at the event, the 100 or more prizes donated by local merchants, will be presented in the plaza across the street from the scene of the festivities.

The public is invited to participate in the feast and enjoy the program. There is no obligation. The buck stew marks the highlight of the year's activities by the club and is the club's way of expressing thanks for the cooperation received during the year, Osburn pointed out.

State Officials To View Olympic Site

AUBURN—The board of supervisors has requested the state legislature to designate the road leading into Squaw Valley as a state highway and build an adequate highway into the site of the 1960 Winter Olympics.

At the same time the board approved an allocation of $1000 to help cover expenses of the Placer County Olympics Publicity Committee, which will meet with state leaders and publicity groups on October 15 and 16.

As justification for making the Squaw Valley road a state highway, the supervisors pointed out that an unprecedented number of visitors is expected to the area when the winter Olympics are held.

They stated the present road is woefully inadequate, and that the county does not have funds to adequately improve it.

B. W. Cassidy requested the supervisors to assist in meeting expenses of the Olympic publicity committee, which will entertain the governor, secretary of finance, highway commission, press, radio and television leaders at a two-day session in Squaw Valley and Auburn.

The purpose is to begin active preparations for the 1960 event.

The supervisors allowed the $1000 allocation from the unappropriated reserve for the Placer County Chamber of Commerce. earmarked for use of the Olympics publicity committee.

LLOYD EVERETT IS NEW LEGION HEAD

Lloyd Everett was installed as commander of Truckee Post No. 439, American Legion, at ceremonies held Tuesday night, replacing Robert Leamon. Jack Waggoner was the installing officer.

Two new members, Donald Schuler and Eugene Gini, were added to the membership.

Tahoe City—

Mr. and Mrs. Jess Taylor have left Tahoe City to spend several months in Butte City. Taylor said that they will return next April or May when he will resume his business.

Southern Pacific Hotel Scheduled To Be Demolished

Landmark Ordered Closed By Company After Half Century

One of Truckee's landmarks—a familiar one for more than half a century—will soon literally hit the dust.

The famous, old Southern Pacific Hotel, located between the main street and the S. P. tracks, right in the heart of town, is to be demolished starting perhaps next week, according to an announcement received by Robert Buddle, the genial manager and veteran railroad employe.

Buddle said he had not been advised who has purchased the building, but said it was to be torn down, with only the linens being retained by the company. The transaction will become effective October 10 and the demolition work is to be completed within 90 days, Buddle was advised.

The Southern Pacific Hotel was started in 1904 when the present center section was brought here from Redding, the lower floor serving as a dining room and the upper rooms for S. P. employes. The west wing was added three years later in 1907 and some time later another addition was erected.

Th hostelry for many years was one of the most important as well as one of the most impressive buildings in Truckee and has been the scene of many community endeavors as well as serving as a popular rooming and eating establishment.

The present manager and his wife, Mr. and Mrs. Buddle, came here early in 1936, to take over the management and have been among the most civic minded and progressive citizens of the community. Buddle said he was not certain of the future but presumed he would be transferred to another location a fact which will be deeply regretted.

The company has not announced what disposition will be made of the property upon which the hotel stands, but chamber of commerce officials are hopeful that it may be turned into an attractive small park.

SEPARATE TRIAL DENIED TWO MEN

AUBURN—Superior Judge Lowell L. Sparks has denied separate trials of J. R. Franco and Joseph Garcia, both of Truckee, charged with attempted rape and grand theft by a Los Angeles woman.

He ordered the joint trial of the pair to proceed as scheduled on October 25.

They are charged on four counts each, including two of conspiracy. They entered pleas of innocent on all counts September 22 and demanded separate trial. Judge Sparks made his ruling Thursday.

Truckee Couple Marry At Rites In Nevada

Mr. and Mrs. Louis Goicoa are receiving the felicitations of friends, following their marriage in Reno on Sunday. The couple is well known here where they attended school and have since made their home.

Mrs. Goicoa is the former Collette O'Rourke.

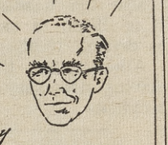
Traffic Check Reveals Violations By Hunters

A California Highway Patrol traffic check at Boca and Sierraville Sunday disclosed 14 violations of the non-moving variety among the 150 vehicles checked. Warnings were issued to nine for registration, four for brakes and one for a muffler violation. The department of fish and game made a check at the same time.

HUNT HERE

Mrs. Hannah Stewart on Sunday had as her guests Mr. and Mrs. J. Lester Edwards of Willits and Mr. and Mrs. Harry O. Edwards of Citrus Heights, all former residents of Hobart Mills. The brothers who are employed by the Southern Pacific Railroad Company were on a deer hunting trip.

SUNBEAMS



By WALTER M. BARRETT

There is little doubt that this area's participation in the 1960 Olympics will be of major importance. With this thought in mind, coupled with the fact that preparations for holding the games are progressing rapidly, we sincerely hope that no delay will be encountered in the formation of a local group or delegation to work with other coordinating agencies in protecting and furthering interests in this whole community. We believe that such a group from chambers of commerce, or selected from various service clubs, existing boards, or even at large, would lend valuable assistance to the forthcoming project and keep the district out in front as an important and useful part of the program. Other communities and even counties are alert to the possibilities, and we think this area should get behind the project and work for its success. Obviously, we cannot be left out of the picture, but the help we can lend now will certainly be reflected in the immediate and distant future. Much can be done to make our local communities more attractive and appealing to the thousands of visitors who will have their eyes on us from now on.

Local Lodge Fetes 85th Anniversary

The 85th anniversary of the founding of Naomi Rebekah No. 2 will be held on November 7, the lodge being the second oldest in the state. Recognition of the fact was given at the September 28 meeting at which time Annie Tonini, a 50-year member, and a 68-year member from Dutch Flat were given special mention

Following a dinner given in honor of Erma Fream, president of the Rebekah Assembly given in the Methodist Church, Leonore Vind, noble grand, officiated at the 8 o'clock meeting. Rose Singleton, marshal, and other appointed officers were also honored, with the president conducting a school of instruction for members and 33 visitors from a number of California towns, including Los Angeles.

Edith Welch, Thelma Norris, Beverly Wilson, Dorothy Slack, sang sacred hymns and Georgianna King played violin selections accompanied at the piano by Winifred Kamp.

SMORGASBORD WILL BE HELD TOMORROW

A large number of people are being planned for at the 6:30 p.m. smorgasbord to be held in the Wyethia Club building tomorrow evening. The sumptuous meal is being planned and prepared by members of the club, proceeds to be given to the Tahoe Forest Hospital for needed equipment.

The evening's theme will be Friendship Night, families and other guests attending will hear a musical program following the repast.

Mrs. Charles Heller will preside at a brief business meeting to appoint a nominating committee to name officers for the coming year.

All those contributing food to the affair are requested to have it in the clubhouse by six o'clock to insure prompt service, at the chosen hour.

NINTH CHILD

The ninth child of Mr. and Mrs. George Kenyon was born in the family home Wednesday, October 5. The 8½-pound boy has been named James Michael.

STORE HOURS

Rose Brothers Market announced this week that starting Sunday, the new store hours will be from 9 a.m. until 7 p.m. daily.

District Offers To Give Land Here To Assist Olympic

Manager Points To Many Advantages At Site Near Wye

Directors of the Truckee Public Utility District have offered 130 acres of land, free of cost, near the Truckee-Tahoe Wye for use by the California Olympics Commission in planning the 1960 Winter games at Squaw Valley.

In making the offer, Manager C. Edmunds stressed the suitability of the site for an ice rink—one of two being planned for the winter games—pointing out the fact that the land is comparatively level and ideally located for both participants and spectators, being on both U. S. 40 and Route 89 and only eight miles from Squaw Valley.

It was also pointed out in the letter to the commission offering the site that it was at one time the location for a natural ice producing pond, utilized by the Pacific Fruit Express Company for many years. This would seem important in the selection of a site since natural ice can be virtually assured for the contests.

One member of the commission, Walter M. Barrett of Truckee, has offered full support of the proposal when it comes before the commission.

The district has had opportunities to sell the land because of its ideal business site location and because of its desirability from a travel standpoint, but has rejected offers in hopes of being able to aid the commission in obtaining suitable location for one of its several facilities.

The action by the district directors followed a request from the Truckee Chamber of Commerce that the acreage be held for possible Olympic facilities.

ELDEN TONINI, JEAN HENRY WINNERS IN GOLF TOURNAMENT

TAHOE CITY—Elden Tonini of Truckee and Jean Henry of Tahoe City are the champions in the Tahoe City Annual Golf Tournament which wound up last Sunday after three Sundays of play participated in by 32 men and 12 women.

Tonini defeated Carl Bechdolt for the men's trophy while Mrs. Henry scored over Rusty Stewart of Tahoe City to capture the women's top honors.

In other matches, Bill Hunter defeated Tony Donadio to win the first flight; Father Ronan Brennan defeated Jack Ellis to take the second flight, and Marshall Ruhkala defeated Ernie LePire in the third flight.

In the women's first flight, Betty Kielhofer won over Georgiana King in the first flight while Pat Butterfield took the second flight, defeating Billy Hamilton.

KNIFING ON SUMMIT PROBED BY DEPUTY

Deputy Sheriff Roy Waters was summoned to Soda Springs Monday to investigate a fight which resulted in one man, Norman Wilson, 31, being stabbed in the right arm and head and Salvadore Osopeza being struck in the chest with a rock.

Wilson told the deputy, he was attempting to escort Osopeza, who had been drinking, home. He said the man turned on him and cut him on the head with a knife.

At the Tahoe Forest Hospital where Wilson was taken for treatment he refused to sign a complaint.

From Sacramento—

Mr. and Mrs. Erwin Single have as their guest this week Mrs. A. G. McIntyre of Sacramento, mother of Mrs. Single.

Marriage License—

Manley Gravier or Dorris and Lona E. McCurry of Truckee were issued a marriage license September 9 in Carson City.

Thousand Miles in Day—

Clarence Osburn, local Buick distributor went by airplane from Reno early Tuesday morning for Los Angeles where he attended the annual Buick convention, returning home that evening.

Engle Seeks Local Airport; Survey Is Asked Of District

Congressman Clair Engle of Red Bluff disclosed he has requested information from the civil aeonautics administration with a view of seeking to establish an airport in the vicinity of Truckee to facilitate transportation service to Squaw Valley for the 1960 winter Olympics.

Engle requested the information in a letter to J. S. Marriott of Los Angeles, regional CAA administrator.

"An airport in the area would be a tremendous asset to the 1960 Olympics," Engle wrote, "as well as a needed improvement in the Truckee-Tahoe area."

Engle stated he had, "on several occasions, tried to get something done with reference to an airport at Truckee.

"It would be immensely helpful to the 1960 Olympics if we had a runway there that would accommodate planes the size of DC3 and smaller.

"I think such a site was located at one time along the road leading to Lake Tahoe. I wish you would check into your records and let me know what you have on it, if anything."

Records in the Sacramento office of the CAA show an intermediate airport was located three and one-half miles east northeast of Truckee, north of the highway, but that it was abandoned several years ago. Officials in the office state, however, they understand private planes are using the runway.

Deputy Question Is Still Undecided

Despite local efforts to obtain a show-down on the question of obtaining a second deputy sheriff for this end of Nevada County, the matter once more has been stalled.

Only three members of the board of supervisors were present at Monday's meeting, a number insufficient, it was reported, to secure a decision. However, at least four members are expected at the October 20th session of the board and a definite promise of action at that time was given.

Supervisor H. G. Loehr indicated he will not permit the matter to be by-passed and will insist upon a final answer at the next session.

This objective was also voiced by Hal Welch, president of the Truckee Chamber of Commerce, who with Gene Welch, Humbert Ciardella and William Carver, appeared before the board Monday. Welch said the request is being considered favorably by board members and he anticipates an affirmative answer.

During the meeting Monday, Welch asked the board to consider setting aside a substantial sum from the advertising budget during the next few years to promote this area's participation in the 1960 Olympics. The board took the matter under consideration and adopted a resolution offering support to the Olympics.

Nona Rae Coffey Heads Sunshine Girls Group

Nona Rae Coffey presided at the Monday evening of the Donner Council Pythian Sunshine Girls, following her election as royal princess.

Other officers named for the new term include: Ireda Harris, charity; Sheri Curran, friendship; Dorette Rose, prelate; Nancy Marquis, recorder; Sandra Van Sickle, exchequer; Violette Dohme, guide; Karen Smart, mystic one; Mary Ann Miller, sentinel; Kathy Curran, warder; Shirley Patton, color bearer; Alta Van Sickle, royal advisor; Lillian Miller, assistant advisor; banner girls are Valerie Mandeville, fidelity; Janice Roth, friendship; Helen Kohl, faith.

Refreshments were served by Sheri Curran and Shirley Patton.

Reported Improved—

Mrs. H. I. Snider of Kings Beach is reported to be recovering from a recent illness.

Governor Selects Water Compact Group From Area

Edmunds, Bechdolt To Be Local Region Board Members

Gov. Goodwin J. Knight today announced the appointment of six members to represent California on the California-Nevada Interstate Compact Commission.

This commission was authorized by the respective state legislatures at their 1955 session to work out a tentative compact to govern the distribution and use of interstate water common to both. Primarily concerned are the Truckee, Walker and Carson Rivers and Lake Tahoe.

Those named by Governor Knight are:

Col. A. M. Barton, Sacramento, member at large. He is chief engineer and general manager of the state reclamation board. For many years he was chairman of the Lake Tahoe Interstate Water Conference Committee which was superseded by the new commission.

Cecil Edmunds, Truckee, representing Sierra and Nevada counties. Edmunds is manager of Truckee Public Utility District. He is also a member of the Nevada County Water Conservation Commission, and of the Lahontan Region Water Pollution Control Board.

William A. Bechdolt, Tahoe City, representing Placer County. Bechdolt is manager of Tahoe Inn, past president of Tahoe Ski Club and active in Lake Tahoe Sierra Chamber of Commerce.

Franklin Rahbeck, Bijou, representing El Dorado County. Rahbeck is owner of a lumber company at Lake Tahoe. Past president of the South Tahoe Rotary Club and active in the Lake Tahoe Sierra Chamber of Commerce.

Huber Burns, Fredericksberg, representing Alpine County. Burns is a rancher in Alpine County and is chairman of the county board of supervisors, representing the fifth district.

Lelan Ray Charlebois, Topaz, representing Mono County. Charlebois is a rancher and cattleman in the Antelope Valley area and has served as an executive of the Antelope Valley Water Users Committee.

The state engineer of California is designated by law as the seventh member of the commission to represent the state.

20-30 WILL SPONSOR BENEFIT DANCE FOR DEPARTMENT

The 20-30 Club of Truckee will sponsor a dance, to be given on Saturday night, October 8 in the Veterans Memorial Hall for the benefit of the Truckee Volunteer Fire Department.

The proceeds from the affair which will be held from 9 o'clock until 2 a.m., are to be used to outfit a new fire truck which will be used to fight fire both in Truckee and Lake Tahoe areas.

The orchestra is donating their services to swell the much needed fund and nominally priced tickets wil be sold at the door.

The dance is public and the 20-30 Club believes that the event affords the opportunity for every public minded person to enjoy the evening and to aid the community's fire protection.

TWO ACCIDENTS IN DISTRICT REPORTED

Two single accidents were investigated this week by the California Highway Patrol.

Richard W. Sweet, 46, Sacramento, was cited by Patrolman Carroll Maynard Saturday evening for speeding after his car got out of control five miles east of Truckee and overturned, injuring Mrs. Dorothy Sweet, 45, who was treated at the Tahoe Forest Hospital.

The vehicle struck the embankment so hard that a stone, a foot in diameter landed in the back seat.

Charles R. Stout, 21, Olivehurst, and passengers in his car escaped when his vehicle struck a rock embankment on Donner grade Saturday night. Patrolman Maynard cited him for speeding and having faulty equipment.

Former Residents Are Parents Of Daughter

Laura Jean are the given names of the third child of Mr. and Mrs. Cal Minaker of Antioch, according to a telephone message to the Stanley Zwargs on September 30, when the little girl arrived. Her weight, at birth was said to be 6 pounds, 13 ounces.

The Minakers left here two years ago when he was transferred to construction with the Pacific Telephone Co.

Change In Time Adds To Travel Hazards, Says State Official

"Slow down. It is later than you think." This statement by the California Highway Patrol is based on the fact that the change in time from Daylight to Standard brings dusk an hour earlier.

"This means that dusk will come at the time most of us are ready to drive home from work," declared Patrol Commissioner B. R. Caldwell. "It is also a peak traffic hour and a high accident frequency period calling for extreme caution by every driver and pedestrian.

Every person who operates a motor vehicle during these hazardous hours can help us solve the accompanying accident problem." The commissioner listed the following suggestions for added safety driving home at dusk.

Use the headlights. Remember it is illegal to use parking lights as driving lights.

Allow extra time for slower driving necessary to stay out of accidents.

Legal Notice

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date September 22nd, 1955

Whereas, I was on the 12th day of September, 1955, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated September 15th, 1955) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 24th day of October, 1955, at the hour of 2 o'clock P.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

(Description)

In Donner Lake Co's Lakeview Subd. Lot 4 Blk 8

Last assessee: Mark P. and Sally Geirrine.

Minimum Price $105.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

MISS ELMA HECKER,
Tax Collector of Nevada County, State of California.

First Publication: September 29th, 1955.
Second Publication: October 6th, 1955.
Third and Last Publication: October 13th, 1955.

Business In County Is Rated High In Study

NEW YORK—Nevada County supports more business enterprises in proportion to its size, than do most counties in the Pacific states.

This is shown in data just released jointly by two federal agencies, the Departmentof Commerce and the Department of Health, Education and Welfare.

Nevada County has 23 businesses in operation—small, medium and large—for every 1000 residents. This is a greater proportion than is encountered generally throughout the Pacific states, where the average is 21 establishments per 1000 people. In the state of California there are also 21 per 1000.

The figures were taken from the tax reports submitted by employers under the Old Age and Survivors Insurance program for 1953.

A total of 458 businesses is shown to be operating in Nevada County. Of them, 311 have three employes or less, 84 more have from four to seven each and 40 have from eight to 19. The remainder are larger companies.

Small business has a firm hold in the county, the breakdown indicates. There are 435 firms, or 95 per cent of the total, with less than 20 workers each.

This is a greater proportion than is found elsewhere in the country.

Convict Labor Denied Full Wages At Fires

SACRAMENTO (CNS) — Convict labor engaged in fire fighting may not be paid full wages by the state forester, Attorney General Edmund G. Brown ruled.

Brown held that such convicts may be imbursed indirectly through the county in which their services are being used.

He said the amount of pay to the prisoners is limited by law, and that they do not come under workmen's compensation provisions.

Slight Decline Shown In California Business

SACRAMENTO (CNS—Business activity in California declined slightly during July, William A. Burkett, state superintendent of banks, reported today.

Burkett said the business index declined two points from June, to 185, but added thatthe index was 12 per cent higher than for July, 1954.

Decreases in bank debits, motor fuel sales, and manufacturing payrolls accounted for the decline, Burkett said. Compared with June figures, bank debits fell from 181 to 176, manufacturing payrolls from 221 to 219, and department store sales from 124 to 123.

The Northern California-Nevada district of the International Walther League, young people's organization of the Luthern Church's Missouri Synod met in annual convention through Sunday at Zephyr Point, Lake Tahoe.

IT'S WISE TO ADVERTISE!

Death Valley National Monument is the only national monument or park in California in which prospecting and location of mining claims on government-owned land are permitted.

Lt. Washington A. Bartlett, a U. S. naval officer serving on the USS Portsmouth, gave San Francisco its present name—in an ordinance published and signed January 30, 1847.

NORTH TAHOE

By JUDGE HARRY CHARRISON

College

Well, it seems that Diana Abbott, one of our community products is by all accounts doing wonderfully well in colleg at San Jose, fully well in college at San Jose, where she is majoring in home economics. Bryon, her dad, says she is really thrilled and lots of times it's just like going to the movies. We all know she will, like others, succeed in her endeavors. Seems funny that the three pals like Joellyn Ashton, Diana Abbott and Loma Sorensen should all choose a college so far apart, one at Salt Lake City, one at San Jose and the other at Berkeley. What a reunion they will have when they get together.

Home

Richard Astle and family were up for a short stay with the Astle family. Richard is a paratrooper in Kentucky. He sure was thrilled to have his mother make the trip back to Kentucky with him. Shorty Astle is with the Tahoe Plumbing Company at Kings Beach and has a home around Fair Ooaks.

Guests

The Herman Klitzkes of the Golf Course have as their guests Mr. and Mrs. Wayne Patterson of Van Nuys and their two sons, Mark and Scott. They are having a real good time hunting and fishing and expect to stay a couple of weeks.

Long Lay Off

Was just talking with Mrs. Malla. She was over to see Ned in St. Mary's Hospital at Reno. As I said last week, the injury to Ned was a whole lot more serious than was at first thought. He is now in a cast and will be for several weeks, and after the removal of same, it will be along time before Ned can use his arm. I could tell a long story of Ned, but his mother would rather I didn't. I think most of you know where the Malla resort is. If you don't, it's opposite the Lee Madden Chevron Station. Stop in and see Mrs. Malla, won't you? You will find her one of the grandest mothers that ever lived. She is all alone here and is keeping the place spic and span. She says that work is the biggest help for any one in trouble.

Earlier Mail

Don't forget the mail goes out at 2:30 p. m. now from Kings Beach, but also don't forget to do your Christmas shopping early, says Carol Howard, the postmaster, and get those cards going.

Lights Out

We missed the lights shining at the Sky Blue Waters on the highway. Looks as though the Edouard Roberts are out for the winter.

Short Visit

What a pleasant surprise to see young Steve Port, son of Steve, Sr., of Kings Beach. He is still in the navy. Steve, Jr., brought his grandmother up from San Francisco. The worst of it is they only have a few days. Mrs. Sid Davis is the mother of Steve, Sr. Steve, Jr. is in the navy for the second enlistment and evidently thrives on navy life as he looks fine. Another one of the boys that the community may well be proud of.

Doing Fine

Just in to see how Wendy and Ginger are making out in their new venture in running the Tahoe Food Center they purchased a few weeks ago. By all accounts, they are doing wonderfully well. Ginget tells me she will be at the cash counter from now on.

Stop 'n Shop

And then again the Stop 'n Shop will be open any day. I see Ruth and Bill are piling up the shelves and are just about ready for business.

An Awakening

Well, well, the beautiful fountain at the post office corner was not actually donated by Joe King, although if Joe had not got this beautiful community started, and if he had not put the new building up, and that sidewalk was not there, there never would have been a drinking fountain, so let's give Joe a wee bit of credit. And then again, if there was not a Rotary Club here in our midst, the fountain would not have been there anyway, for it was that same service club that actually built the structure and believe me, it is a wonderful improvement and not enough credit can be given to the Rotary, and in behalf of the citizens of the community, we congratulate them.

Buildings

Now to talk about the building going on around this area. I see George Mortensen of George's Grocery, Kings Beach, is adding more room on to his store. Tom Lucas is adding to his home and Earl Noel is adding to his home. Two homes are being built on the Golf Course. Cloyd Sipes has started on some more apartments at his already wonderful motel on Bear Street. Thornaday Lodge at Tahoe Vista has just been completed with 10 units and Earl and Bill Ellison and Earl and M. Berendsen of Edgelake Resort, Kings Beach, are starting four five-room units up stairs and down. Betty Powell says they are going to be dandies, too. There are lots more going up but I shall have to take a ride around and report later.

Important

Yes, it means a lot to the stopperiners to have some of the casinos open, it sure brightens up Crystal Bay, especially when you are coming around the corner by the North Shore. Up to a couple of days ago Bucky Harris and his pals have been going around the golf course and the greens have been wonderful. But today, I think I saw them taking the furniture in to the club house so I guess it is about closing time, after a wonderful season. Of course, you have heard that the Tahoe Biltmore will remain open through the winter.

Baby Girl

Glad to hear that Mrs. Gene Faulkner is home from the Tahoe Forest Hospital and brought back her beautiful baby girl. She has been named Lisa Claire. Gene says she's the prettiest baby ever and surprisingly, her grandparents say the same thing about her.

Tow Truck

Have you seen Curly Mason's tow truck? I understand that from a skeleton, he made it into one of the finest around town. All there is left now is to paint it. You did a swell job, Curly.

Quick Visit

Art and Mrs. Meuler of Pasadena made another fast trip up here, one object to get a deer and the other to look over property in case they move up. That is quite a possibility, too. No deer.

Sold

Eddie Moore tells me they have sold their Moore Pines Lodge at Tahoe Pines and that they are contemplating moving to Kings Beach and maybe opening a TV establishment here. Eddie has been in that business for quite a time.

Way Off

Yvonne Bechdolt was telling me how a good friend of hers was walking along Wilshire boulevard in Los Angeles and who should she see by Mrs. Elizabeth Streeper of Kings Beach. By the way the Streepers are way down in Alhambra for a short stay. Well, anyway they will be back by Christmas.

JONES PURCHASES PARTNERS INTEREST

AUBURN—Herstle Jones, operator of Nyack Lodge near Emigrant Gap, Placer County, has purchased the interests of two associates in the management of the lodge and the Old Mill Ranch.

Documents filed with County Recorder Clayton Goodpastor show Jones purchased a one-sixth interest from George W. Ryer for $70,000 and another one-sixth from Louis A. Dufour for the same consideration. The amounts were indicated by revenue stamps.

Some personal property was also included in the sale. The Old Mill Ranch is listed as a 274 acre tract.

Investigation

SACRAMENTO (CNS)—Investigation of boxing and wrestling will be effected by the assembly interim committee on governmental efficiency and economy, subcommittee on boxing and wrestling, begining October 17, Frank G. Bonelli, chairman, announced. Hearings are scheduled in Los Angeles for three days.

the newest design concept in card table sets...
Samsonite
Black 'n' Brass

Black 'n' Brass Card Table in Metallic Grey, Metallic Flame, Metallic Chartreuse or Antique White. $13.95
Matching "Futura" Chair $8.95

At last, real glamour in a card table set! Dulled, black-modern metal frame...brass tipped legs...and colors that add the "decorator's touch" to any decor. And because it's Samsonite, you know this set will stay beautiful and sturdy for years of day in, day out use. Spills can't stain the upholstered top...it simply wipes clean with a damp cloth. And the tubular steel legs and frame make it the world's strongest card table. Cushion-comfort chairs have upholstered back and seat. They simply glide open, fold compactly. Other Samsonite card tables from $7.95 and matching chairs from $6.95.

Tahoe-Truckee School District News

HIGH SCHOOL

Saturday, October 1, Jude Commargere, Linda Loynd, Judy O'Neill Bette Robertson, and Christine Bechdolt, accompanied by Miss Betty Lou Raker, attended the annual fall press conference at Sacramento Junior College. The group gathered many ideas for the school newspaper and annual in such fields as sports and feature writing, business, annual layouts and photography.

Last Friday, in the gym, there was a pep rally for Saturday's victorious game with Stewart. Head cheerleader, Janice Mandeville capably planned the program while Coach Jim Brehler and Co-captain Tom Dolley assured the students that the game would be victorious.

Jim Pringle, Scott Gilmore, Jim Carter, Jim Allen and Doug Wilson have been practicing after school to form a male quintet which will perform at school dances and service clubs.

The California Scholarship Federation and Girl's Athletic Association have started to organize this week. Each is planning conferences and other activities for the year.

TAHOE LAKE SCHOOL

Tahoe Lake kindergarteners and first graders have their aquarium installed again and excitement is running high this week. Two mother guppies are expecting and are properly being cared for in the floating maternity ward.

First and Second Grades: The second graders are making scrapbooks about the different ways we can travel.

The first grade have been been painting pictures about cars and trucks at our easels.

Fifth and Sixth Grades: our committees on the study of diosaurs have completed all reports and have given oral reports to the class.

KINGS BEACH

Kindergarten-First: This week we studied differences of cedar, pine, and fir leaves. Then each child in the class chose a small twig of one of the trees, and made a clay imprint to take home.

In social studies, we are working on the construction of a home in our room. Outstanding work on the home has been done by Peter Powell and Debby Martin, Jay Bisio, Scott Campbell, Eddie Salas, Carl Christiansen, David Hughes, Greg Pope, Andy Tompkins, Butch Bennett, Ann Felte, Martha De Gregorio and Susan Clackett. The other members of the class have been helping.

We are sorry to see Butch Bennett and Debby Martin leave our school. Butch is moving to Reno, and Debby to Las Vegas.

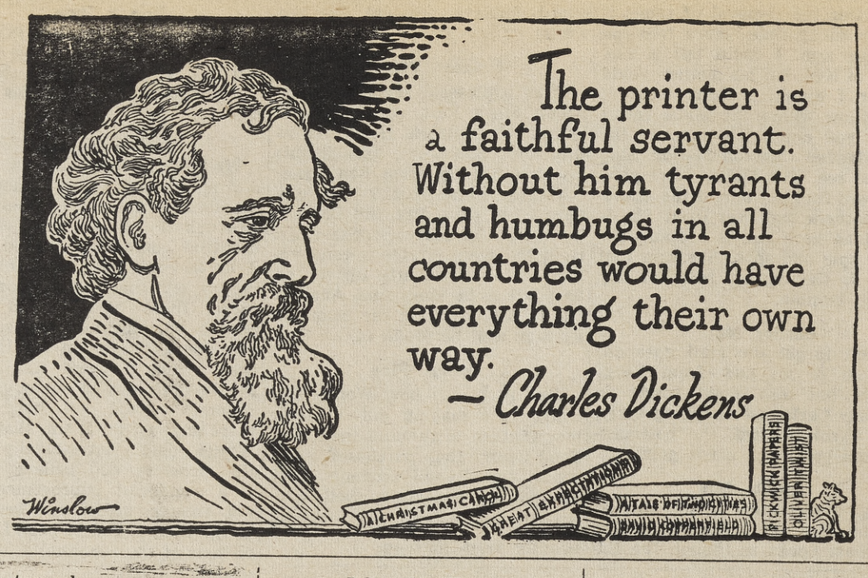
Second and Third Grades: Vickie Bennett transferred to Reno, and Paula Martin transferredt o Las Vegas. Both girls plan to return to our class in the spring.

During social studies, we completed the map of Kings Beach.

Judy and Jill Robert brought several potted plants for our science table. Penny Cassidy planted a small pine tree for our science study about trees.

Vickie Russell returned Thursday from a two weeks' vacation in Oregon.

Loretta Barnett and Allen Davidson joined our class this week. Loretta is in the second grade; Allen is in the third grade.



The printer is a faithful servant. Without him tyrants and humbugs in all countries would have everything their own way.
— Charles Dickens
Winslow

DONNER TRAIL

Candy Board brought a small water snake to school on Wednesday, and we then decided to talk for a while on the family of reptiles for our science lesson. We know from books that the snake is a cold-blooded animal but we found by touching and seeing that he is also covered with scales. We also noticed that the snake had an earthy smell, and this we thought was due to his environment in and on the ground.

Kindergarten

We have been taking our turns on play equipmnet, and learning to share and work together on puzzles and blocks.

Judith Ingram joined our class this week. We are happy to have another girl.

Bill Cardinal, Diane Daly, Judy Ingram, Susan Schuler, Wilber Glenn and Bobby Goldsmith have been some of our helpers this week.

First Grade

The first grade has a news period each morning. They bring in interesting items to show the other children. Timmy McLane, Bruce King, Gary Waters and John and Charles Collier have brought in many rocks. Kathy Braasch brought a picture showing the recent forest fires. Vickie Crandell and Sharon Peterson brought books.

We are happy to welcome Linda Carter, who lives at Floriston, into our class.

Second Grade

In language arts we are learning more about speaking and also being a courteous appreciative audience. Several children made up interesting stories to tell the class. Diana Pankoke and Candy Hamilton told appealing stories about adventures of squirrels. Dawn Maynard, Debbie Ellis and Eileen Olson told about lively rabbits. Fosten Wilson, Edna Arterburn, Alexandra Cushing told stories.

Gilbert Hernandez, Sandra Carter and Dennis Stevens are recent transfers to our classroom.

Third Grade

The committee for finding pen pals are Marcia Leamon, Eddie King, David Sorani and Michael Carter. They hope to get the names of third grade boys and girls in other parts of the world and find out about the activities in their schools.

Fourth Grade

We have been handing in written book reports, and have initiated a period of story writing. Dick Ingalls story was chosen from the group to be posted on our class bulletin board.

Fifth Grade

This week we had a contest among the reading groups to see which group could best use and spell words from our word books. The red group won the contest.

Our teacher has been showing us how the same letter group is often found in different words, although it may have a different sound in different words.

Sixth Grade

Through a review of last year's work and handwriting practice we have discovered that we need brushing up in certain areas. Dorette Rose found out that her "g" was not as she found them in the penmanship book. Barry Leamon said his "t"s needed better formation.

We have elected the following officers for October: president, Barry Leamon; vice president, Jimmy Osburn; secretary, Karen Smart; and treasurer, Dee Dee Frates.

Kathleen York wll be one of our permanent telephone monitors.

PATRONIZE LOCAL MERCHANTS

Leaving from Crystal Bay, Nev., are the W. E. Uptons, going to Inglewood. Ernest Hoerdler who spent his annual vacation at Tahoe City has returned to Covina and the L. J. Punam address has been changed from Carnelian Bay to San Mateo.

NOTICE THAT OWNER OF REAL PROPERTY WILL NOT BE RESPONSIBLE FOR IMPROVEMENTS

TO WHOM IT MAY CONCERN:

Notice is hereby given that I, JOHN S. WOODARD, dba Donner Ski Ranch, the undersigned, am the owner of certain premises described as follows, to wit: Section 17E Range 15 as recorded, and on record with the Inter-County Title Company, Nevada City, Nevada County, State of California, and known as the Donner Ski Ranch; that DONNER SUMMIT TRAMWAYS, INC. is lessee of the property; that I have obtained knowledge that a building and improvements are being constructed on the property; that ten (10) days have not elapsed since I obtained such knowledge; and that I will not be responsible for the construction of the building, buildings or improvements, or for any material or labor used or to be used therein, or for any alterations or repair thereof, or for any work done on the building or buildings or improvements, or any addition thereto, now on the land, or which has been performed, furnished or in any manner or way on the land, or on the building, buldings or improvements thereon, or addition thereto, or which may hereafter be performed, furnished, or or used in the land, or building, buildings, improvements or addition thereto, or for the services of any architect.

Dated this 29th day of September, 1955.

JOHN S. WOODARD

STATE OF CALIFORNIA
COUNTY OF NEVADA ss

JOHN S. WOODARD, being duly sworn, says that he is the owner of Donner Ski Ranch in the above entitled Notice That Owner of Real Property Will Not Be Responsible for Improvements, that he has read the foregoing notice and knows the contents thereof, and that the same is true of his own knowledge, except as to those matters which are herein stated on his information or belief, and as to those matters that he believes it to be true.

John S. Woodard

Subscribed and sworn to before me this 28th day of September, 1955.

TAHOE BURGLAR FOUND GUILTY

AUBURN—William B. Buddle was sentenced to San Quentin Prison on a first degree burglary charge. He entered the White House store at Carnelian Bay, Lake Tahoe.

Judge Lowell L. Sparks sentenced him this week. Buddle pleaded guilty.

STATEMENTS REQURED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF SIERRA SUN & TRUCKEE REPUBLICAN published weekly at Truckee, California, for September 30, 1954.

1. The names and address of the publisher, editor, managing editor, and business managers are:

Publisher, Walter M. Barrett, Truckee, California.

Editor, Walter M. Barrett, Truckee, California.

Managing editor, Walter M. Barrett, Truckee, California.

Business manager, Harriett, K. Barrett, Truckee, California.

2. The owner is (If owned by a corpoartion, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 per cent or more of total amount of stock. If not owned by a corporation, its name and address dresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.)

Walter M. Barrett, Truckee, California.

Harriett K. Barrett, Truckee, California.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

None.

4. Paragraph 2 and 3 include, in cases where the stockholder or securtiy holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: (This information is required from daily, weekly, semiweekly, and triweekly newspapers only.) 1180.

WALTER M. BARRETT,
(SEAL) Editor, Publisher

Sworn to and subscribed before me this 28th day of September, 1954.

Tahoe Items

E. M. Frost left Kings Beach Monday to live at Fontana until spring.

Miss Carol Levy, who is well known in the Lake Tahoe area has written from Santa Barbara that they enjoy reading the Sierra Sun for news of their favorite location.

Mr. and Mrs. A. R. Specht, longtime summer residents at Tahoma have left for their San Francisco home. Antioch is the winter address of the Harold Feakins who spent the summer at Tahoma.

Joe Fara who was at Lake Tahoe this week wil spend the winter at Richmond.

Mr. and Mrs. Abe Reuben, recently moved from their San Francisco apartment to become residents at Brockway where they earlier bought the former house of Mrs. Judy Thatcher. Reuben will make the lake his new headquarters, making business trips into Utah, Nevada and southern California.

TRADE WINDS TO REOPEN JAN. 1ST

KINGS BEACH—After one of its most successful season, the popular Trade Winds at Kings Beach closed last week.

The manager, Joe Ross, said he plans to reopen the Trade Winds about the first of the year but will feature only American dishes at that time. Chinese foods have been one of the specialties. Jack Ross will go to Sparks where he is employed during the winter.

Woman Charges She Was Attacked By Two Men

The story of the "good Samaritans" who turned "wolf" was revealed by a young Sacramento woman to State Patrolman William Gautsche last week.

When her husband was injured in a minor automobile accident near Hirschdale, he was rushed to the Tahoe Forest Hospital by Patrolman Gautsche, who had been assured by two deer hunters at the scene that they would follow with the victim's wife.

After waiting a reasonable length of time, the local patrolman returned to the scene of the accident where he found the woman frantic, with her fingernails torn, her clothing disheveled and ripped and near a nervous collapse.

She told the officer that instead of taking her to the hospital where her husband was being treated, the two "helpers" had turned off on a side road and attempted a criminal attack. She fought her way out of the disgusting situation and returned to their car, hysterical and near collapse.

Because of the number of cars and hunters at the scene, officers were immediately unable to locate the two responsible.

DR. DINGWALL IS SPEAKER AT MEET OF TAHOE ROTARY

TAHOE CITY - Dr. Stuart Dingwall ,Tahoe City veterinarian and local Rotarian, with his house guest, Dr. Jack Cash, were the speakers at the dinner meeting of the Tahoe City clubheld at Tahoe Inn on the evening of September 27. Both these veterinarians enlightened members and visitors as to the treatment of both domestic and wild animals.

Dr. Dingwall said that the medical and surgical treatment of domestic animals dates back to the first private schools somewhere in the middle 1800's and the growing importance of the profession gained up until the time of the first world war when varsious universities were beginning to include this course of studies. He said that in his 24 years of experience he has seen treatment extended to many wild animals, especially to the captive animals of the zoo.

Dr. Cash tild the Rotarians that Dr. Dingwall has gained much prominence in San Diego county by his discovery of Dourine, a diseases of horses prevalent near the Mexican border. He covered other phases of work carried on by the doctor, not mentioned by Dingwall himself.

There were four visiting Rotarians at the meeting, and Basil Kehoe acted as the program chairman. President Vernon Bartell presided, reminding the gathering of the annual Rotary golf tournament to be held here October 9.

REV. COVHER WILL PREACH AT TAHOE

TAHOE CITY—Rev. A. B. Covher will fill the pulpit of the Community Church at Tahoe City on Sunday, October 9, services to be held in the Community Center at 9:15 o'clock. Church will be followed by Sunday school to convene at 10 a.m., according to the superintendent, Mrs. Gerald Waters.

Rev. Covher gave communion service in the local church last Sunday and his message was appreciated by the congregation.

All who wish to worship are being given a cordial invitation to attend these services.

Mrs. Warters also said that all offerings received from the letters sent out are to be used for the building fund for a church at Tahoe City.

New State Department Assistant Is Named

SACRAMENTO (CNS) — Frank B. Durkee, state director of public works, announced appointment of C. M. Gilliss to the newly created position of deputy director of the department. The office is civil service, but the Gilliss appointment was temporary until an examination is called. The new appointee was formerly a special reprsentative and assistant deputy director.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

TAHOE CITY — Mrs. Ruth Droste, Tahoe realtor, stricken about a month ago with a slight heart ailment and who was taken to a Reno hospital for a checkup and rest, is still convalescing in that city. Although progressing normally in health, her medical advisors seem to think it best she remain there for a while yet. So Mrs. Droste wishes to send word to her many friends in this region thanking them for their kind messages, greeting cards and flowers. We are sure that all are wishing for her a speedy recovery and a return to her home and business here.

Closes Resort

Mrs. Fern Schleuter, manager owner of the Schleuter's Resort on the lakeshore south of here, closed her place last Saturday and left on the same day for an extended vacation tour which she expects will last throughout the entire fall and winter. She will make her first stop-over in Idaho, presumably to see the far famed winter resort at Sun Valley. Later she plans to motor through Oregon and Washington and will spend some time in those two states visiting relatives, but expects to be back at Tahoe before the opening of next summer's season. Another summer resident left this week and expects to spend the winter at Sun Valley. She is Miss Irma Herrath who was in Tahoe City during the summer and spent the past month at Homewood Resort.

Back From Trip

Al Henry, Jr., who is just back this week from a three weeks' fishing tour through parts of Alaska and British Columbia, says that angling in that northern area is a very exciting sport and he believes the fish bite better there than they do around home, although the fish he caught there were of practically the same species that inhabit the Tahoe region waters, such as rainbow, brook trout and German brown. Al motored on the lengthy trip with a friend, Robert (Nick) Thomas and the two were joined in Clinton, B. C. by Nick's parents, Mr. and Mrs. Bob Thomas. The young men did the greater part of their fishing in the wilderness about 20 miles out from the town of Wells. Since his return, Al has been deer hunting a couple of times, but so far no luck.

Hurt in Cars

Mrs. Charles T. Wisdom of Tahoe Pines, who suffered painful injury in an auto mishap along the Truckee River road a week ago Tuesday, made a trip to the Tahoe Forest Hospital during the weekendt o have the last of the stitches removed from the healing gash across her forehead. More than 30 sitches were said to have been required at the time of the injury to close the deep cut. Mrs. Wisdom was driving home at the time from Squaw Valley where she took her husband to work each day, and had taken her 18 months old son, Scott, with her. The baby pulled at the latch on the car door, and in reaching to pull him to safety away from the door, the mother lost control of the car which nosed up on the bank and rolled into the ditch. This description of how the accident occured was given later by Mr. Wisdom. Little Scott, though tossed about in a frightening manner, escaped without a scratch. His mother's injury is healing well, and she has almost completely recovered from the schock.

Autumn Days

The quiet autumn days hhve settled down upon the local community again, and with them the family celebrations and home-town parties are beginning once more. On Sunday, September 25, a surprise birthday party was given in honor of Mrs. Jean Henry, and hosted by her parents-in-law, Joe and Marie Henry in their Tahoe City home. After a sumptious buffet-supper a four-tier birthday cake was served and gifts were presented. Present for the occasion, besides the hosts were the honoree's husband, Al Henry, Jr., her son, Gary and daughter, Karen, her parents, Mr. and Mrs. Carl Wheat of Reno, Pat Henry Fox of Squaw Valley, Celeste Daniels of Las Vegas, Davd Donaldson of Oakland, and the following Tahoe friends: Markey Williamson, Gladys Quam, Doris Clarke, Beulah Carnell, Elsie Bechdolt and Patricia Vanni.

Birthdays

Besides Jean Henry, the Tahoites who celebrated birthdays in September included the following with their dates: Dr. C. B. Pedersen, September 15, Mrs. Gerda Kvistberg—18th, Mrs. Lillian Farr—20th, Frank Kennedy—22nd, Joe Henry—26th, Elsiebelle Bechdolt—28th, and Louise Geier—29th.

Tahoites having wedding anniversaries in October include the following: two couples, John and Justine Pingree and Carl and Elsie Bechdolt, Jr., celebrate Ocotber 1st. Joe and Irene Duffee—October 2nd. Bill and Ethel Vernon—October 5th. Joe and Marie Henry—October 10th and Charles and Allie Spaulding—October 12th. On October 2nd also Northie and Ernie Pomin celebrated the fourth anniversary beyond their golden wedding date.

Kilners Leave

Mr. and Mrs. Fred Kilner, realtors in this region for many years, finished up on their seasonal transactions here on the weekend, and on Wednesday night they were ready to leave from the Los Angeles airport on a planned air plane tour of Europe, which they expect will occupy about three months time. Their first stop will be at Copenhagen, Denmark, where they will spend a few days. From there they plan to fly England, France, Italy and Greece. Later they will spend a month in Western Africa, where they will visit several of the larger cities, including Nairobi, Johannesburg and Capetown. Late in the winter they will embark for Austrlia, New Zealand and the Fiji Islands. After a tour of these places they will land in Hawaii, where they expect to enjoy a long and beautiful spring season before taking flight for their native land again, and back to Tahoe in time for the opening of the summer season of 1956.

Flying Valentines

Our latest communication from the Flying Valentines came during the past week, and proclaims in part—"Here we are in London, after doing Denmark, Norway and Sweden. Will have two weeks here, and then on to Ireland to kiss the Blarney Stone. Our sixty years of wedded life has gotten us on TV, our pictures and write-ups in papers everywhere, and we are being met by photographers and newsmen at every airport. Getting to be a little too much for us!" Well now, if that isn't something—we don't know what is. More power to the Flying Valentines!

Social Meet

The Women's Club of Tahoe announce that their next social meeting will be held on October 13 at the clubhouse on the south end of the Tahoe City golf course. All members who play golf are invited to meet there at 10 a.m. on that day, and they are asked to bring their own lunches, including cups, plates and silver. Hot coffee will be provided in the clubhouse. For those who do not play golf, there will be card games in the afternoon. All this is scheduled providing the weather remains fair, and no early storms come on to interupt proceedings, according to information by the club's corresponding secretary, Louise Geier.

60 Years of Marriage Celebrated Over North Pole

Celebrating their diamond wedding anniversary last week with a trip over the S.A.S. Polar Route are Mr. and Mrs. O. Carlton Valentine, former residents and resort owners of Tahoe. With 60 years of married bliss behind them, the couple were presented with an anniversary cake by Scandinavian Airlines as they embarked on their flight over the top of the world.

The Valentines will tour Scandinavia, England, and Ireland, Three years ago, on their 57th anniversary, the traveling sweethearts toured Central Europe.

TAHOE WEATHER

TAHOE CITY — Cooler nights but warm days and bright sunshine has featured the weather picture at Tahoe City during the past week. The thermometers went to a low of 31 on Sunday but have maintained a warm 66 during the days.

The lake level Monday stood at 6225.35 with four gates open.

TAHOE NURSERY NOTES

Our food sale was a hit this last weekend, thanks to the ladies and Kehoe's. We mothers have a nice selection of Christmas cards to show any of you interested in buying. President Jody Wagner is leaving before the year is out. You have done a fine job, Jody. Hate to see you go.

From where I sit ... by Joe Marsh

Shades of Tom Sawyer!

Hack Willis had just stopped the tractor so's he could cool off at the pump, when a young insurance salesman came up the drive.

Hack was tired of plowing, and needed insurance on his new barn. But he also needed to get that winter rye in fast. The salesman, an eager kid, noticed hesitation. "I come from a farm," he said. "Why don't you look at these booklets—get all the dope—and I'll take that plow a couple of rounds for you."

Young fellow laid off a pretty straight furrow, too. It was almost dark before Hack—sitting in the shade—was able to decide just what kind of policy to get.

From where I sit, to be a good salesman—or a good citizen—it always helps to "put yourself in the other man's place." He may have a different sort of job with different problems ... he may prefer to close a deal over, say, a friendly glass of beer while you might prefer something else. But both of you can co-operate if you make it a "policy" to try.

Joe Marsh

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—Reaction to the suggestion made in "Affairs of State" recently that some thought be given to changing the method of allocating state highway funds, to provide for the construction of needed roads with the gas tax money used on those rads, has been varied and vehement.

As predicted, some members of the assembly, whose continuity in office is determined by the amount of bacon they bring home for their districts, have considered the suggestion utter heresy.

On the other hand, civic leaders in areas the main highways of the state service, are not backward in declaring that the present method of allocation on the basis of population, exclusive of certain sums designated for major highways, is archaic and should be changed.

The suggestion was merely that traffic counts or estimates be maintained on various highways; that the gas tax money collected for use of those highways be expended upon them for four-lane routes or improvements as needed, and that when the necessary expansions are made, the surplus monies for that particular highway be diverted to other routes.

Thus, the public would get full value for the dollars expended for gas tax for the highways the public uses, rather than for the counties in which the gasoline is purchased.

Needs on U. S. 40

Recently, there was occasion to travel U. S. 40, between Sacramento and Truckee. With the exception of the four-laned portions of this road, this major national artery constitutes about a 35 to 40-mile an hour route. Over almost all of the road traversed, not only slow-moving trucks, but other types of slow-moving vehicles hinder traffic. With opposite moving traffic, the difficulties and dangers of passing are so numerous that the prudent driver is content to crawl at a snail's pace. The amount of gas used to propel vehicles over this route is tremendous, but the question is, how much of the tax collected is being used to improve and four-lane U. S. 40?

On the other hand, Highway 89, from Truckee to Blairsden, which was traveled the same day, is a little used road. Not two dozen cars were encountered during the entire trip between these two points. The next question, therefore, is how much is being siphoned off other routes to keep up Route 89?

Spend Where Needed

This is not to say there should be no roads between relatively isolated points, but it should be obvious that the most used road should be the first to be developed into four or six-lane highways, which ever is necessary to handle the traffic without the tremendous inconveniences undergone by the public at the present time.

U. S. 40, of course, is not the only arterial which would be affected if new plans were adopted. All of California's heavily traveled routes would benefit from a plan of this type, and the traveling public would be served to greater benefit. Eventually, the surplus monies from the most heavily traveled roads could be used to implement the next most heavily traveled, and so on down the line.

In the face of the political implications involved in such a procedure, it is doubtful if the state legislature here would adopt such a proposal. However, the demand by the people could well one day expand to the point where an initiative would be seriously considered, thereby jumping the political hurdle and serving the people.

Counter Charges Hurled In State Board Dispute

SACRAMENTO (CNS)—Robert E. McDavid, member of the state board of equalization from the fourth district, which comprises southern California, hurled back charges against the board made by Arthur C. Eddy, assessor of San Diego County.

"Your scurrilous attack on the board of equalization is unwarranted and unjustified," McDavid said in a letter sent to Eddy.

"The remarks made by you at the assessors' meeting in Riverside were, in my way of thinking, not in keeping with the intelligence expected of a person charged wth the great responsibility of serving the good people of San Diego County in the important capacity of their county assessor."

Eddy criticized the board for its recent order increasing the assessments in 14 counties of the state.

McDavid pointed out in his letter that the order would result in almost a half million dollars additional school aid for San Diego County this year.

"We did not order any changes in San Diego," McDavid said. "Do you have in mind raising the assessments in San Diego County, and trying to blame it on the board of equalization?"

Legal Notice

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date, September 12th, 1955

Whereas, I was on the 1st day of September, 1955, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated September 7th, 1955) to sell at public auction, for cash in lawful money of the United States, certain tax deed property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 17th day of October, 1955, at the hour of 2 o'clock P.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

Ordinance Expected To Minumize Illegal Tree Cutting In Local Forest

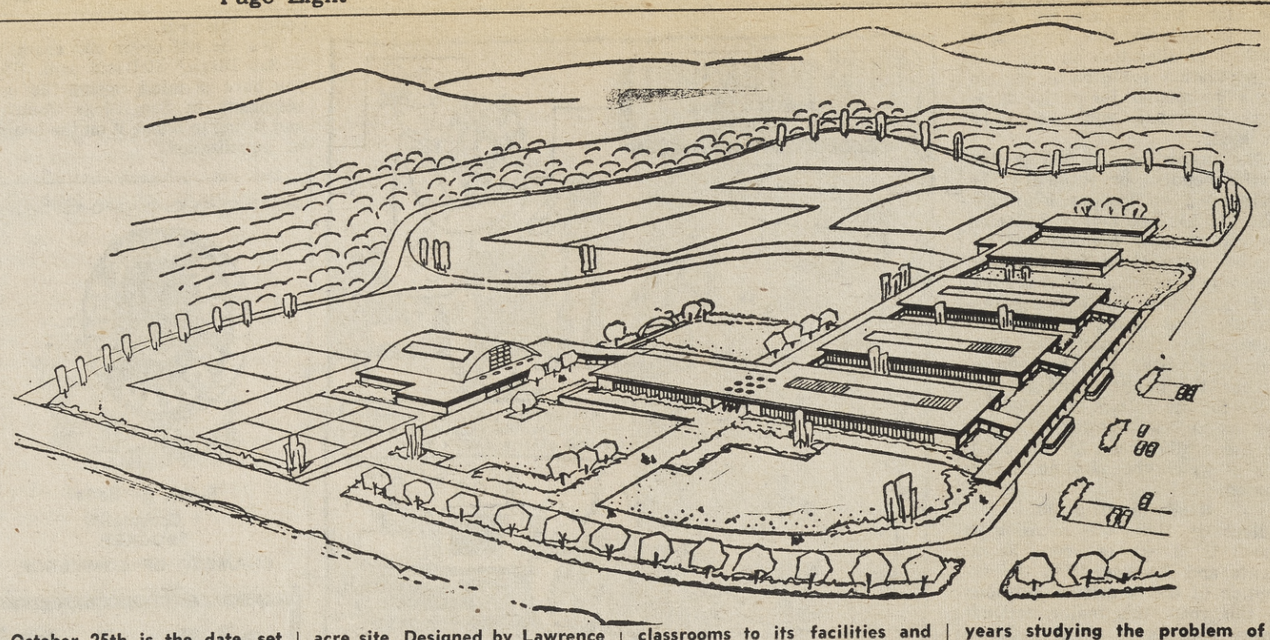
NEVADA CITY—Sharp curtailment of the theft of Christmas trees on private lands within Tahoe National Forest boundaries is expected through a county ordinance unaimously approved by the Nevada County supervisors.

The board late yesterday approved the ordinance designed to put teeth into present laws concerning the harvesting and hauling of trees.

The ordinance was presented by Henry Branagh, timber management staff officer of Tahoe Forest who said thousands of trees are cut illegally each year by "big time poachers" who are familiar with back mountain roads and harvest areas.

The ordinance in most respects follows existing laws governing the cutting and sale of Christmas trees but goes a step further and requires all tree haulers to have shipping permits bearing signatures of the land owner, the shipper, a forest official for a local peace officer. The permit must show the number of trees on the truck.

White Future Farmer—
Bill White, son of Mr. and Mrs. Guy White of Colfax and former Truckee residents, has been named treasurer of Placer County Future Farmers of America at the Union High School.



October 25th is the date set aside for the electorate in the Placer Union High School District to vote a $2,500,000 bond issue for the new Sierra College pictured above. The college will be located one and one-half miles west of Auburn on a 201-acre site. Designed by Lawrence Thompson, prominent school designer, the campus will include eight buildings and a school farm to serve both high school and college. Placer Union High will take over the present Sierra College site, adding 23 more classrooms to its facilities and room for 700 students. Included in the bond issue is $230,000 for a new high school cafeteria and other renovations to the present plant. The board of trustees of the Placer Union High School District has spent two years studying the problem of secondary school needs before presenting the bond issue to the voters. Cost of the bond issue is placed at approximately 36 cents per $100 of assessed valuation, or about $1.23 per month on the average home.

In Wyoming—
Mr. and Mrs. William Gautsche and son, Roland, were expected home this week following a motor trip to Wyoming where they visited with relatives and friends.

Chief 39—
N. F. Dolley, chief of the Truckee Volunteer Fire Department for 19 years and Constable of the district, beside his private interests, celebrated his birthdate on October 4. Dolley is the second local man within the week to admit to 39 years.

See Bornemans—
Mrs. Cecil Clepper, daughter Denise, Mrs. Hal Gilson and Erwin Waters visited on Sunday with Mr. and Mrs. Tom Borneman at Greenville. Borneman was recently transferred by the State Fish and Game Department from Stockton.

From Crescent City—
Mrs. I. Firpo returned from Crescent City earlier this week accompanied there by her mother, Mrs. Kaer who had been a guest here.

Cavitt Has Birthdate—
W. M. Cavitt celebrated his birthdate on September 29, admitting to at least 39 years.

Hunting Guests—
Mr. and Mrs. William Fordham had as their guests for the opening of the hunting season, Mr. and Mrs. Jack Dickman of El Monte.

Survey For Olympic Games Started In Squaw Valley Area

The Organizing Committee of Squaw Valley's 1960 Winter Olympic Games has launched initial planning preparations for the international event following allocation of $32,500 by the California Winter Olympics Commission.

Alexander Cushing, representthe 8th Winter Olympics Organizing Committee, revealed that his group previously had surveyed immediate needs and had made recommendations regarding requirements for a survey of facilities which must be built at Squaw Valley.

The Organizing Committee was designated by the United State Olympics Committee to handle details relative to preparing and staging the contest, while the California Olympics Commission, whose members were appointed by Governor Knight, was established by the State Legislature to supervise the expenditure of $1,000,000 appropriated by California.

Cushing said the Organizing Committee was finalizing a proposed contract with an architectural firm for this purpose. The scope of the work encompasses the drafting of a preliminary master plan for three ski lifts; ski jump; bobsled run; speed skating rink; artificial rink; downhill and slalom courses; housing for athletes and officials; spectators facilities, including stadium, grandstands, restaurant, parking and garage faciilties; judges' towers and facilities; water supply, drainage; sewage disposal; telephone and telegraph building; press and radio booths; television facilities; public address systems, and administrative facilities.

"Although the contests themselves are more than four years away," Cushing explained, "the prevailing weather conditions in the Tahoe area limits the time in which actual work can be under taken. Therefore, we are faced with urgency in completing our exploratory work so that we can review with the California Winter Olympics Commission our actual financial needs and to lay out a timetable that will insure completion of all necessary work well in advance of the dates set for the events."

The Winter Olympics are tentatively set for the last week in January and the first week in February of 1960.

"Our own group is most encouraged and enthusiastic because of the manner in which the commission members have responded to the challenge to stage an outstanding event in 1960," Cushing continued. "They also have set an example by the way in which they are devoting their time and energy to get activities started."

The commission is headed by Charles R. Blyth, with other members being Allan D. Christenson, John Jewett Garland, Reese H. Taylor and Walter M. Barrett.

Cushing also said that M. Saint-Calbre, a recognized international authority on bobsled courses, had arrived from Paris and was beginning his studies immediately on engineering problems involved in this facility.

Fetes Friends—
Mrs. Russell York was hostess on Monday evening for a group of friends who form a card club. Refreshments were served after the play.

Lungs Visit—
Mr. and Mrs. Jesse Lung of Roseville visited their son-in-law and daughter, Mr. and Mrs. Mike Goicoa, last week.

In Capital—
The family of David Campbell has left for their Sacramento residence.

Stolen Box Of Tools Is Quickly Found By CHP

Due to the fast and effective work of the communication system of the highway patrol, a box of valuable tools taken from a truck near Baxter at 4 a.m. Sunday was recovered in Truckee by Patrolman William Gautsche a short time later.

The truck driver, Fred Parker of Wells Cargo Company, reported the theft and gave a description of the suspect's car. A short time later Gautsche recognized the car near the quarantine station and the suspect, Bennett Basden of Sacramento is said to have admitted taking the tools, which were recovered.

Parker was notified by Judge F. W. Wilson that charges may be filed in the local court.

Christening Party Held To Honor Jill Smith

Jill Lindl, small daughter of Mr. and Mrs. Hugh Smith of Truckee was christened last Saturday by Rev. A. B. Cohver in the Kings Beach Methodist Church with Mr. and Mrs. Lynn Kishbaugh named godparents of Jill at the ceremony.

Mr. and Mrs. Dan Holub entertained at a party that evening, in honor of the occasion. Others attending included Mr. and Mrs. Robert Madge, Mr. and Mrs. Everett O'Rourke, Rev. and Mrs. Covher, Mr. and Mrs. Robert Briggs of Woodland, Mr. and Mrs. Reuben Peterson of Mt. Claire and Mrs. Mary Mendenhall of Walnut Creek, maternal grandmother of the baby.

California has 18 wild areas containing 573,275 acres.

HOGLE DISCUSSES OLYMPIC EFFECTS

"Skiing as Affected by the Olympics" was the title of the interesting talk given by Milton Hogle of Soda Springs at the meeting of the Truckee Rotary Club Monday night at Donner Lake Lodge.

Hogle discussed the effects of the Olympics on community life, which will result in increased populations, more business, better highways and favorable publicity for the area and state. The games, he said, will bring attention to eastern residents that California has come into its own as a winter sports area unexcelled in the world.

Hogle credited Alex Cushing of Squaw Valley for obtaining the games and Senator Harold Johnson for the state's generous support. Rex Thomas presided at the meeting and the speaker was introduced by James Sherritt.

LECTURE
A free lecture on Christian Science, entitled Christian Science: Man's Divine Destiny Revealed, will be given by Mary C. Holloway, C.S., member of the Board of Lectureship of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass., at the First Church of Christ, Scientist, in Reno tonight at 8 p.m.

NURSERY SCHOOL MEET
The Truckee Parents Nursery School has invited any one interested to attend the regular meeting at 7:30 p.m., October 11, in the cafeteria of the local high school. A film entitled "Preface to Life" will be shown at this time.

Vacuum packing of coffee originated in San Francisco in 1878.

Tarzan

by EDGAR RICE BURROUGHS

VENGEANCE BOUND, TARZAN AND CHEEKA BEGAN PREPARATIONS FOR A COUNTER-ATTACK ON THE WARRIORS WHO HAD CAPTURED TAWNI.

THE NATIVES, HOWEVER, WERE ONLY CONCERNED WITH A 'TRADER,' WHO APPEARED AT THEIR VILLAGE AND DISPLAYED A GAUDY SELECTION OF TRINKETS.

THE CHIEF GREEDILY EYED THE MERCHANDISE. "YOU SAY, BWANA MAXWELL, THAT I CAN HAVE *ALL* THESE THINGS?"

"YES, BECAUSE YOU NO LONGER HAVE COMPETITION," REPLIED MAXWELL CASUALLY. "MY OTHER CUSTOMER, THE ARAB SHEIK, IS DEAD--"

"DEAD!" GASPED THE CHIEF. "THEN THE WHITE GIRL IS NOT WORTH-AH--" MAXWELL RESPONDED COYLY, "COME NOW-- ARE YOU HARBORING A WOMAN CAPTIVE?.."

...MEANWHILE, A RESOLUTE JUNGLE LORD CRASHED THROUGH THE FOREST ON THE BACK OF TANTOR, THE ELEPHANT-- AND BEHIND HIM MOVED A FIERCE ARMY OF BARKING BABOONS! 10-9-1283

ABBIE an' SLATS by RAEBURN VAN BUREN

SURE HE'S KINDA BIG AN' CLUMSY, GIRLS, BUT HE'S AS LOVABLE AN' HARMLESS AS A FLEA-AN' TWICT AS GOOD-NATURED. WHY, IRVING AIN'T GOT A MEAN BONE IN HIS WHOLE, BIG, OVERGROWN BODY!

BUT, POP-THE WHOLE TOWN'S NERVOUS ABOUT HAVING HIM AROUND-YOU CAN EASILY SEE WHY.

THEY'RE SAYING, BATHLESS, THAT YOUR (GASP) PET'S A MENACE T' THEIR LIFE AND LIMB! ALL HE'S GOT TO DO IS STUMBLE AND (CHOKE)...

...HE WIPES OUT THE WHOLE BLAMED TOWN!!

IT'S A BLARSTED SHAME A MAN CAN'T KEEP NO PET AROUND THE HOUSE WITHOUT NOSY CITIZENS RAISIN' A FUSS...BUT (CHOKE) IF HE'S GOTTA GO...

...HE'S (SOB!) GOTTA GO. I'M SORRY, IRVING, LI'L PAL...

HEY- WAIT A MINNIT! - LOOKS LIKE THE WHOLE MOUNTAIN'S ON FIRE!

EVERYBODY GET OUT O' TOWN OVER T' THE RIVER. THE FIRE'S OUT O' CONTROL AND HEADING FOR CRABTREE CORNERS!
